May 18th, 1922.

Dr. H. Harbaur,  
136 State Street,  
Brooklyn, N. Y.

Dear Sir:-

At the suggestion of Mr. Parries P. Merritt I beg to ask if you will consider an invitation to become an Associate of The American Numismatic Society. Mr. Merritt must, of course, know that you are interested in the aims and objects of such an organization as our own, but if you are not acquainted with our Museum I feel sure that you would be interested if you could find time to visit it. The accompanying folders briefly outline our aims, and with them I am sending an application card in the hope that your consideration of this invitation will be a favorable one.

Very respectfully yours,

Secretary.
